

# 12<sup>th</sup> JMRC Symposium

18<sup>th</sup> September (Saturday) 2004

Honorary President: Sir John Vane

PLUS RATIO QUAM VIS

**COX isoenzymes - 2004 update**

**Honorary President: Sir John Vane, F.R.S.**

Programme  
the JMRC Symposium 2004  
**"COX isoenzymes -2004 update"**

to be held on 18<sup>th</sup> September (Saturday) 2004 in Cracow,  
Bobrzyński Hall, Collegium Maius, 15, Jagiellońska St.  
chaired by *John C. McGiff, Stefan Angielski, Ryszard J. Gryglewski*

8.45-9.00 Opening of the symposium

Chairman: *Stefan Angielski*

9.00-9.25 *John C. McGiff:*

Renal Vascular and Tubular Expressions of COX-2:  
Functional Significance

9.25-9.50 *Ryszard J. Gryglewski:*

ACE and COX Inhibition in Endothelium

9.50-10.15 *Andrzej Szczeklik:*

COX Isoenzymes and Aspirin Hypersensitivity

10.15-10.45 Coffee break

Chairman: *John C. McGiff*

10.45-11.10 *Kenneth Wu:*

COX-Inhibitors or Downstream Prostanoids Regulation?

11.10-11.35 *Flavio Coceani:*

COX Isoenzymes and Patency of *Ductus Arteriosus*

11.35-12.00 *Stefan Chłopicki:*

PGI<sub>2</sub> and NO in Coronary Endothelial Dysfunction in  
Transgenic Model of Cardiac Failure

12.00-13.30 Lunch

- Chairman: *Kenneth Wu*
- 13.30-13.55 *Paola Patrignani:*  
COX Inhibitors in Cancer
- 13.55-14.20 *Waldemar Radziszewski:*  
COX-2 Inhibitors: New Perspectives
- 14.20-14.45 *Regina Botting:*  
COX-3 and the Mechanism of Paracetamol Action
- 14.45-15.15 Coffee break

- Chairman: *Jack Botting*
- 15.15-15.40 *Roderick Flower:*  
Annexin 1, Prostanoids, and Inflammation: Some Recent Advances
- 15.40-16.05 *Tadeusz Malinski:*  
Peroxynitrite and Vascular Prostanoids
- 16.05-16.30 *Iwan Stepuro:*  
Thiamine and Vasculopathies
- 16.30-17.00 General discussion and closing of the symposium
- 19.00 Farewell Dinner in *Stuba Communis*
